¹Department or Division Name, Organisation/Affiliation, City, State, Country, email

²Department or Division Name, Organisation/Affiliation, City, State, Country, email

Presenter Name

Abstract: Abstract. Write here the summary, in Calibri font, Size 12, simple spacing, justified text, without spaces between paragraphs, with a length of **250-350words**. The Panel Sessions aim to provide opportunities for debate and valuable discussions allowing the exchange of experiences, offer new perspectives, theories and concepts in SRHR

Necessary resources: describe here what technical resources you need to deliver the Panel Discussion (for example: video projector, internet and two-sheet printing for each participant).

What will audience learn from your presentation?

(Try to list 3-5 specific items)

- Explain What is already known about the research topic.
- Explain what new knowledge this research adds to the available evidence.
- Explain how the audience will be able to use what they learn?

Organization of the Panel Discussion

Biography of presenting authors(should not exceed 100 words)

(Example: Dr. Ali studied immunology at the Quaid-e-Azam University, Islamabad and graduated as MPhil in 2008. She then joined National Institute of Health as Technical officer vaccine laboratory. She received her PhD degree in 2015 from Liverpool University, UK. After one-year postdoctoral fellowship at the Spectrochemistry Laboratory, France she obtained the position of an Associate Professor at Health Services Academy. She has published more than 50 research articles in high impact peer reviewed journals.

1- Dynamics / Strategy:

- a. **Presentation** (Group Activity). Inform how you will present the members to the audience.
 - b. **Theoretical Exposition** of the theme (define the content and time of intervention for each member; inform us who will be the moderator of the Panel)
- 2- Application of the proposal in reality / practical examples;
 - 3- Expected results.

References

Please list here all the references used on your proposal (including in the abstract).

Regional Research2Action Conference on Sexual and Reproductive Health and Rights
1 – 2 November, 2022 | Health Services Academy, Islamabad, Pakistan

Biographical note of each member/facilitator of the Panel Discussion (between 70 and 100 words). Please mention any relevant contributions related to the Panel theme, such as publications, teaching/training activities, keynote presentations, etc. Please note: at least one of the
